Rating: 95

Drink 2013 - 2019

Cost: \$150

The wine bottled as NV El Tresillo 1874 Amontillado Viejo is believed to be around 50 years average age, reminded me of the sweet, fruity aromas of peaches in syrup and red cherries, in a very elegant, subtle way. Of course, all the hazelnuts, marmalade and smoky overtones are there and the palate reveals a completely dry, warm, smoky wine, long and intense, with power and balance. A delicate old Amontillado. Drink 2013-2019. Emilio Hidalgo founded his bodega in the center of Jerez in 1874, where it is still managed by the fifth generation of the family. They have an impressive range of wines, with some of the original soleras containing wines over 100 years old which are offered in homeopathic quantities (like their superb Palo Cortado and PX ).
