WINE ADVOCATE : 93-95+ points

"Composed of 97% Merlot and 3% Cabernet Sauvignon with a potential of 14.5% alcohol and aging in 100% new French oak barrels, the 2019 Croix de Labrie has a very deep purpleblack color. The nose opens with some very classy cedary notes, giving way to a profound core of baked plums, blackberry preserves and blueberry pie with touches of licorice, chargrilled meats, mocha and eucalyptus with a waft of red roses. Full-bodied, rich and concentrated, the palate has wonderful vibrancy for its weight, with a solid backbone of plush, ripe tannins and seamless freshness, finishing long and fragrant. This chateau has been on a roll recently—I am more and more impressed every year."
