

Tasting notes

Valderiz Juegabolos Cosecha 2018

(15%)

Juegabolos is named after a single parcel on the so-called Roa mountain on clay and pudding stone soils at 800 metres. Aged in an 80/20 mix of French and American oak, the latter portion new wood, it's a big, powerful, concentrated Tinto Fino with lashings of toast and mocha flavours, structured damson and black fig fruit and impressive density and supporting acidity. 2023-28
