The 2016 Late Bottled Vintage Port is a field blend with 104 grams of residual sugar. It was bottled unfiltered in July 2020 with a long cork after 30 months in cask. Elegant and precise, this is a fine expression of an LBV with classic fruit but even better structure. This is a mini Vintage Port that still can improve. It should last over 20 years, and it will definitely improve and develop along the way.
