This is a new red to celebrate their 10th anniversary. The 2020 Déka was produced with grapes from three different soils and had a shorter maceration and no temperature control, and the élevage was in a used French oak barrel for 27 months. It's pale, aromatic and elegant, one of the most elegant wines they have produced. It has a medium to full-bodied palate with fine-grained, very chalky tannins, with grip, good ripeness and very good balance. 1,479 bottles were filled in January 2023.
