The floral and perfumed Bobal 2020 El Sueño de Bruno was produced with grapes from ancient vines on limestone soils that are worked organically and with some biodynamic practices, from the upper terrace of the Las Brunas vineyard at 900 to 950 meters in altitude. It's ripe and expressive with 14.5% alcohol and very good acidity, combining power and freshness. It fermented with 50% full clusters in barrel with indigenous yeasts and matured in used 500-liter oak barrels for 18 months. 3,000 bottles were filled in March 2022.
