

Tasting notes

2022 Gómez Cruzado Cerro Las Cuevas

Genérico (15%)

Cerro Las Cuevas comes from very old-vines at 450 metres in Ollauri. Showing some of the ripeness of the vintage, it's a firm, intense, grippy blend of Tempranillo, 15% Graciano and 5% Mazuelo and Garnacha with layers of damson, fig and earth, ample concentration and well-integrated oak. 2026-32
