Valderiz Juegabolos 2020

Cosecha (14.5%)

Juegabolos uses grapes from a single parcel on clay and pudding stone soils that was planted in 1986. Curated in French and 25% American oak, this is a stylish, medium-weight Tinto Fino with appealing top notes of mocha and coffee bean, structured, granular tannins, damson and blackberry fruit and supporting minerality. 2025-25
